NEW VOTING PRECINCT CONSIDERED AT VA TECH

Montgomery County, Virginia • The Montgomery County Board of Supervisors will hold a work session Dec. 2 to discuss the possibility of establishing a voting precinct for Virginia Tech students who live on campus. The meeting will be held at 6:30 p.m. at the County Government Center, 755 Roanoke St., Board Room, in Christiansburg.

County staff will present option(s) for locating the voting precinct to make it more convenient for campus residents to vote in elections. There will be no opportunity for public input at the work session but a public hearing for the purpose of gathering comments will be held in January 2014. Virginia Tech officials are working with the County on the proposed precinct and would need to approve its location before it would go into effect for the fall 2014 elections.
