## Discount Cards Offer Average Savings of 22 Percent off Retail Price

**Montgomery County, Virginia** – Montgomery County launched a discount card program to help residents cope with the high price of prescriptions. The County is making free prescription drug discount cards available under a program sponsored by the National Association of Counties (NACo) that offers average savings of 22 percent off the retail price of commonly prescribed drugs.

The cards may be used by all County residents, regardless of age, income or existing health coverage, and are accepted at 11 County pharmacies. A national network of more than 60,000 participating retail pharmacies also honors the NACo prescription discount card.

“Montgomery County is proud to be one of the counties nationwide participating with NACo,” said Board Chair Annette Perkins. “The NACo prescription discount card offers significant savings for the uninsured and underinsured residents of our County, and even those fortunate to have prescription coverage can use the card to save money on medications that are not covered by their health plan. Best of all, there is no cost to County taxpayers for NACo and Montgomery County to make these money saving cards available to our residents.”

Residents can visit [www.caremark.com/naco](http://www.caremark.com/naco) to print an ID card and use it immediately at any participating pharmacy. Cards are also available at the Government Center, 755 Roanoke St., Christiansburg, and more than two dozen locations in the County. For a list of locations, visit [www.montgomerycountyva.gov](http://www.montgomerycountyva.gov). County residents can also call toll free 1-877-321-2652 or visit [www.caremark.com/naco](http://www.caremark.com/naco) for assistance with the program.

“Using the NACo prescription discount card is easy,” Perkins said. “Simply present it at a participating pharmacy. There is no enrollment form, no membership fee and no restrictions or limits on frequency of use. Cardholders and their family members may use the card any time their prescriptions are not covered by insurance.”

The program is administered by CVS Caremark.
