Montgomery County, Virginia – Circuit Court Clerk Erica Williams was recently elected to the Executive Committee of the Virginia Court Clerk's Association at its annual conference in August.

“It was an honor to be nominated by a former Clerk's Association president, as well as to be elected and to serve on the committee,” Williams said. “I am pleased to represent our area – Montgomery County – as well as southwestern Virginia. By serving on the Executive Committee, I will represent the interests of our Clerk's office and other Clerk's offices our size, as well as the needs of Clerk's offices in our part of Virginia.”

Williams is also a member of the Virginia Metropolitan Clerk's Association (VMCA), which represents clerk's offices with populations of 80,000 residents (or higher) in metropolitan areas. She is the only VMCA member of the state from our region.
