

**Montgomery County Parks & Recreation  
(MCPR) will be hosting a  
Ripken Baseball Clinic this  
Saturday, April 30 at Motor Mile Park!**

Ripken Baseball instructional programs combine the wisdom of Cal Ripken, Sr., and his teachings with the 33 years of major league experience accumulated by both Cal Ripken, Jr., and Bill Ripken, creating memorable baseball experiences for youth players and coaches alike.

Ripken Baseball clinics are designed to introduce campers to all facets of the game of baseball. Learning all of the skills required to play all of the positions on a baseball field not only helps make for a better all-around player, but also adds to a player's overall understanding of the game. Every player needs to understand proper throwing mechanics, which are discussed in the pitching station. Every player will catch a ground ball at some point; the fundamentals of fielding ground balls are covered in the infield station. Every player needs to be able to catch a fly ball, which is taught in the outfield station. And every player should learn the fundamentals of hitting.

**DATE:** Saturday, April 30

**TIME:** **Registrations/Check-in:** 8-8:45 a.m.  
**Clinic:** 9 a.m.-12 p.m.

**AGES:** boys and girls, ages 7-14
